GUY BROWNING

Guy Browning is one of the UK's most in demand conference and after dinner speakers.

He combines the two elements essential for engaging business audiences; a firm grasp of business issues and an indestructible sense of humour.

CREATIVITY AND INNOVATION -
Keynote Speech/ Workshop

Guy gets groups thinking differently about their job, their company and their whole sector.

He introduces
creative thinking skills but also making-things-happen skills.

Guy focuses on new products, better service and stronger teamwork providing Immediate tools and techniques to take away. His talk is interactive, energising, humorous and great with mixed and multinational audiences.

A snapshot of some of the companies Guy has worked with are Airbus, Nationwide and WHSmith.
